Specification for the supply of Maths lab items for the session 2019-20

The supplier should go through the specification carefully before quoting the rate. The supplier are responsible to prove the quality mentioned with samples or with authenticated document, falling which the rates quoted will not be accepted. It may be noted that for standard quality only single rate against the items should be quoted. In Case more than one rate quoted for single items in the name of quality, the same will not be considered.
